XXXIV **Giornata Mondiale del Malato**

11 febbraio 2026

La **compassione** del Samaritano: **amare** portando il dolore dell'altro

The image is a reproduction of a classical painting, likely a Renaissance work, depicting the Virgin Mary in a blue robe holding the infant Jesus in her arms. The background is dark and indistinct. A white banner with black text is draped across the lower portion of the painting, containing information about a diocesan mass.
